

HVAC JOURNEYMAN - MISSISSAUGA

Established in 1961, The State Group provides comprehensive multi-trade services that include Electrical, Mechanical and Civil on a single source basis. State Group performs over 2 million man-hours annually of Construction, Retrofit, Maintenance, and Emergency Services. The dedication of our personnel to quality, safety and service excellence has ultimately established The State Group as one of North America's leading contractors. We are headquartered in Mississauga, Ontario with branch offices and subsidiaries across Canada and the United States. We are seeking HVAC Journeymen in the industrial/commercial industry.

If you are known for a high level of reliability and pride yourself in service-related work, The State Group would be interested in having you join our Team.
