

PROJECT ESTIMATOR - EVANSVILLE

The State Group is one of North America's leading multi-trade Industrial and Specialty Services contractors. Established in 1961, we provide comprehensive multi-trade services that include Electrical, Mechanical and Civil on a single source basis. State Group performs over 2 million man-hours annually of Construction, Retrofit, Maintenance, and Emergency Services. State Group employs 1,300+ construction professionals and support staff to complete projects with the highest safety and quality standards. We are looking for an Intermediate Electrical Estimator to support the Evansville Indiana Office.

An Estimator calculates and estimates the expected cost of construction of a given project. The job entails helping our company make competitive bids by reviewing and analyzing all the cost information to provide accurate estimates. The Estimator provides support and input as requested to ensure successful project completion. This position includes many of the requirements of Project Management.

Duties and Responsibilities

- Under guidance from senior estimators, reviews drawings, specifications and tender documents to provide estimate values that will be used to be awarded and perform the work.
- Interprets customer bid requirements, to assemble detailed and complete Labor, Material, Equipment, and Expense summaries for review and closing.
- Provides support to the project on an ongoing basis, to Project Managers and Field Staff.
- Interfaces with all levels of organizations, both internally and externally.
- Collaborates with other estimators/divisions within company to help assemble detailed and complete multi-trade proposals.

Skills

- Relevant Technical Designation from Accredited Institution.
- Consideration will be given to candidates with equivalent education and/or field experience.
- Able to interpret technical information, both in writing and diagrammatically.
- Strong math skills. Excellent organizational, interpersonal and communication skills.
- Excellent time management skills; ability to prioritize and execute multiple tasks effectively.
- Understanding of contract language. Experience in construction is an asset.
- Working knowledge of MS Office, particularly Excel and Word.

This position is an integral part of our success. There will be opportunities for future growth and advancement.

The State Group offers an amazing benefits package, competitive salary and bonus, and the opportunity to quickly grow your expertise, knowledge and your career!
