The **State** Group

Mission

Exceed our Customer's Expectations by operating an integrated, multi-discipline contracting company, which provides quality and value through continual improvement

Develop our Employees by providing a safe, challenging and open work environment that rewards high productivity and high customer satisfaction

Respect our Community by being aware, active and concerned contributors, because we care

Secure our Future by providing the highest level of customer service possible and then finding a way to surpass that level, to create the leading multi-trade contractor in North America
